

Apply to train to teach

We know that teachers who have been inspired by high quality teacher training will inspire our students with their knowledge and allow them to flourish. Great teaching transforms lives and makes futures brighter. If you would like to be part of that we would love to hear from you.

As part of our commitment to developing world class teaching we are able to provide a variety of routes into teacher training across Kent & East Sussex. We have places to train teachers from September 2017 across a variety of secondary school subjects, across the full age range: 11-18 and for primary school training.

We are part of a 'school centre for initial teacher training' known as '**Teach Kent and Sussex**'. This means that teachers who train with us will teach at one of the partner schools within the group and also undertake their professional and subject studies with us too. That means no long journeys to visit universities in London or other parts of Sussex or Kent to complete the teacher training PGCE qualification.

We have a number of 'Get into Teaching' information sessions scheduled, details of which can be found below.

Thursday 5th January 2017 ~ 7.00pm ~ Bennett Memorial Sixth Form Centre
Wednesday 18th January 2017 ~ 7.00pm ~ Uckfield Community Technology College LRC
Monday 6th February 2017 ~ 7.00pm ~ Bennett Memorial Sixth Form Centre
Monday 13th March 2017 ~ 7.00pm ~ Uckfield Community Technology College LRC
Monday 24th April 2017 ~ 7.00pm ~ Bennett Memorial Sixth Form Centre
Tuesday 20th June 2017 ~ 7.00pm ~ Bennett Memorial Sixth Form Centre

Primary school training will also be covered at these sessions.

If you are unable to attend one of the information sessions, please call our Administrator, Carol Hughes, on 01892 521595, or email her on admin@teachkentandsussex.org.uk, to discuss next steps or to arrange a work experience day at one of our schools.

We look forward to meeting you and discussing your career in teaching further.
