# **Recommended Summer Reading List**

# Reading is a great thing to do!

---

If you didn't find the time while completing your remote learning, the summer holiday is the perfect time to pick up a book and read.

Reading will help you build your vocabulary and communication skills; encourage imagination and creativity; enhance the development of your mind and give a greater understanding of both the world you live in and the people who live in it with you.

# Reading list

---

It is fine to carry on reading what you are, or what you have lined up to read.

But if you haven't got a book to read, or are not sure what to read next, use our summer reading list.

It is a list of brilliant books!

Read as much as you can this summer.
