

E-Mail on your device

In order to check your college emails from your own device, the easiest method is to use the Outlook Web App. In order to do this,

More detailed instructions will follow shortly but the following settings are generic and should work on any device providing you know how to add E-Mail accounts:

Type: Microsoft Exchange

E-Mail Address: yourusername@heathfieldcc.co.uk

Username: yourusername

Password: yourpassword

Domain: heathfieldcc

Mail Server: mail.heathfieldcc.e-sussex.sch.uk

We support android and iOS devices. These settings should work on other devices but we are unable to support them at this time.

If you have any difficulties then please E-Mail itsupport@heathfieldcc.e-sussex.sch.uk.
