

## Frequently Asked Questions

### What is the cost of the College Run scheme?

The final cost of the scheme is agreed with the coach companies based on initial numbers. Payments will be requested on a termly basis with payments spread over the academic year. Confirmation of overall costs will be given during the interview process.

### How much is the deposit?

We will confirm the cost of the deposit once we have received quotes from our suppliers. We ask for a deposit to secure your place on either of the two College run transport services. This deposit is non-refundable, unless the student does not meet the entry requirements for the College. This does not include specific entry requirements for the subjects selected at application.

### How often will payments be requested?

We will require payments termly in the first instance. However, we are happy to discuss alternative payment programmes with families if this is difficult.

### What happens if my child no longer requires the service?

We will require one months notice if you wish to withdraw from the transport service. This must be a written confirmation from the parent/carer of the student.

### How do you reserve a seat on the East Sussex County Council bus services?

Please contact East Sussex County Council directly by calling 0345 60 80 190 or visiting the website (<https://www.eastsussex.gov.uk>) and searching for "School Transport".

If you have any questions regarding the transport service please contact

# CITIZENCARD

If you are under 19 you can use the Citizen Card to buy an East Sussex Freedom bus ticket for £17.50 from the bus driver. This ticket gives you unlimited travel on almost any bus in East Sussex for seven days in a row, including weekends. Application forms are completed online. You will need to upload a passport photo and select Mrs Hollyman or Miss Reed for verification to authorise your application. All cards are sent directly to students home address.

Further details available at Enrolment.

## College Run Bus Services

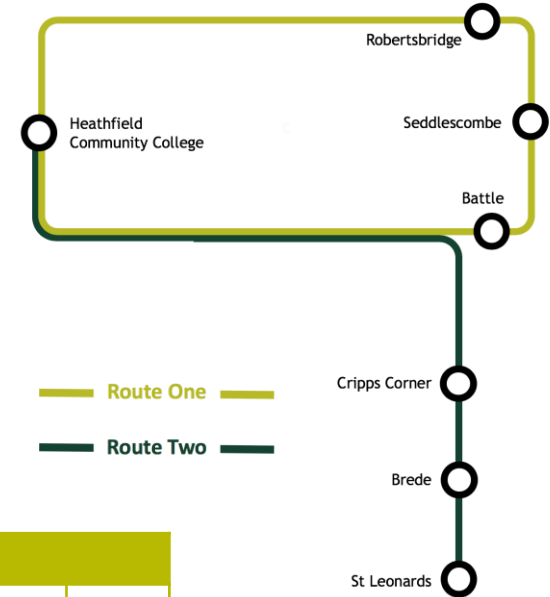

Heathfield Sixth Form runs two services in conjunction with local bus companies. Payments for these services are made termly across the academic year. Students in receipt of the 16-19 Bursary can have help with transport costs (see the College website for further information). The services are partially subsidised by the College for all students.

### The Routes

The two routes take into account journey time and cost to ensure they are comfortable for students and competitively priced.

The stops on these routes are set to ensure the timings of the service along with student safety.

To guarantee a place on these routes a deposit will be requested after application to the Sixth Form.
