Dear Parent/Carer

I hope this letter finds you well. I include below a few reminders of key information for parents for this week. Further updates of the achievements of the term and the Term 3 edition of Headlines will follow in two weeks.

Education Provision on 1 February

A reminder that on-site provision is available for the children of key workers or those identified as vulnerable, if you are at all unsure then please consult with your pastoral teams. Online learning will be provided via Firefly specific to year groups on the morning of 1 February. To register for on-site provision please sign up using the form below by Monday 30 January at midday:

Knowledge Organisers for Key Stage 3

In response to feedback last year that parents would like to know more about what their child is studying in order to be able to help them at home we have:

- Updated Headlines profiling all subjects in KS3 at the end of each term.
- Added [Knowledge Organisers for Key Stage 3](#) to the website.

Each subject provides an overview of some of the key content for their subject. The Knowledge Organiser allows you to see, at a glance, what fundamental knowledge students need to succeed in lessons, assessments and examinations. There is also a useful checklist of how to use these at home to maximise their impact.

Young Carers

Please see attached to this letter some information from East Sussex regarding a charity that can offer support to young carers.

Thank you again for your ongoing support, please also continue to view our [Latest News](#) on the website for more about recent student achievements.

Yours sincerely
