

19 May 2023

Dear Parent/Carer

Please find attached with this letter information on our Digital Learning Scheme at Heathfield Community College. The information in our guide explains the principles of our Digital Curriculum at Heathfield. Frequently asked questions about the scheme are also attached.

The scheme in place for September 2023 will run for 36 months at a cost of £14.50 per month and includes:

- The cost of the iPad
- A highly protective case
- A range of paid for Apps including Firefly which is our Virtual Learning Environment
- Provision of a mobile device management and communications system
- Wi-Fi and broadband systems
- Insurance Cover provided by CPU

It is expected that students can continue to use this iPad in College in Years 10 and 11. This may be a way for families to reduce costs as long as the iPad is protected for continued use. At the start of Year 10 a new scheme will be offered to parents, but there will not be an expectation that parents have to sign up and students can continue to use the initial iPad in College. This device will be yours to keep at the end of the scheme, assuming that all monthly payments have been made.

If you wish to sign up for this scheme please use the following link [Parent Portal Login | CPU Mobile Learning](#) to set up a direct debit instruction. The registration code is **HeathfieldYEAR7**. Once you have completed this form a direct debit will be set up and the first payment will be taken in September 2023. Please can this be **completed by Sunday 4 June**. The iPad will be issued during August and you will be emailed in June to select a date and time that is convenient to yourselves for collection.

If you have any questions regarding the scheme, please do not hesitate to contact [dlt@heathfieldcc.co.uk](mailto:dlt@heathfieldcc.co.uk).

Yours sincerely

**MR B HOWARD**  
Deputy Headteacher

Distinguished  
School
