Dear Parent/Carer

YEAR 8 - WILD SCIENCE

We are excited to announce that we have secured Wild Science, a leading provider of science shows in the UK (<https://wildsci.co.uk/>), to deliver an interactive workshop to all students in Year 8 on Monday 24 March 2025.

During the hour-long workshop the Wild Science team will discuss and display a wide variety of different animals, including a mix of mammals, reptiles/amphibians and invertebrates. Students may get a chance to touch, hold and interact with these animals as well.

We would request a contribution of £4 towards the cost of running this event. To make your contribution please make payment via [Arbor](#). Payment will be open from today up to and including Wednesday 12 March 2025. If you have any problems making payment, please email trips@heathfieldcc.co.uk.

All students in Year 8 will take part in this event which will be a fun and motivating experience for all. We thank you in advance for your support.

If you have any queries regarding this event, please do not hesitate to contact me by email at rbowman@heathfieldcc.co.uk or telephone 01435 866066 Ext 1217.

Yours sincerely

MR R BOWMAN
STEM Lead
