

28 March 2025

Dear Parents & Carers

Thank you to all those who have shown support of the College in the last few weeks, whether by attending the subject feedback evenings, careers and futures related events or by messages that affirm the actions and support that staff have shown for students.

It makes a difference to staff to know how much we work in partnership together and it is appreciated, thank you. We approach the last week of term now and there is a lot to celebrate, exam year groups are showing good focus and preparation for revision over Easter and equally students in all year groups are showing commitment to their lessons and their attendance.

### New Revision Support

Many will be aware that we have added a clear place on the website for revision materials: [https://www.heathfieldcc.co.uk/?page\\_id=997924](https://www.heathfieldcc.co.uk/?page_id=997924) in addition to the curriculum maps and exam board details.

We are now building a set of materials designed to help families to support revision, available here: [https://www.heathfieldcc.co.uk/?page\\_id=997924](https://www.heathfieldcc.co.uk/?page_id=997924). We have uploaded the first three presentations adapted from an external production company, and will add to them next week to provide a useful bank of resources that are designed to support parents who have young people revising at home.

### Accentuating the Positive

Over the last week we have been injecting a small amount of appreciation and reward for students as part of a series of activities that will take place over the coming weeks and months. More will follow next week as end of term rewards are given out. We feel it is important that there is an equal focus on the community and enjoyment of school as much as the focus on hard work and upholding of standards.

Students should watch out for some unusual and unexpected positive activities for them at school in the coming term. These will not be regular or necessarily promoted in advance; nothing will be high-stakes involvement but instead designed to give opportunity, draw attention to the positive and provide interest at different times. Student Leaders are involved in supporting this and we look forward to sharing with you in due course.

## Student Cleaners

We know that many students benefit from part time employment alongside their studies and for many years this has been something the College has been able to provide through a Student Cleaner role, which is both convenient for students and beneficial to the College.

We have been somewhat limited in what we are able to offer because of East Sussex County Council restrictions, however, recent changes have meant we can adjust this to be able to raise the rate of pay. Those looking for part time employment and want to support the College at the same time should look for the adverts in College, and soon to be online, that set out new pay rates and how to apply.

Thank you again for your support, feedback and encouragement. It is valued and appreciated.

Yours sincerely

**MS C BARLOW**  
Headteacher
