

4 July 2025

Dear Parent/Carer

I would like to thank everyone who was so flexible and supportive on Tuesday when we unfortunately had to make the decision to close the College due to problems with our water supply. We would particularly like to recognise students for their help, remaining calm and understanding throughout the necessary dismissal processes.

**Welcome to Year 7 September 2025**

We were delighted to welcome our Year 6 students, parents and carers to Welcome Evening last night. Special thanks to our Values Leaders and Year 7 speakers, Tia and Ziv, for their great support and role modelling.

Our prospective Year 7 2025 have enjoyed some lessons in College, met their tutors and had time to meet new friends and socialise in College.

Please remember the importance of the Parent-Carer Help Book as a key resource which can be found on the [College website](#). The Parent-Carer Help Book for all other year groups can be found [here](#).

**Consultation on Federation**

Both leaders and governors appreciate the contributions made to the consultation on prospective federation. The planning committee met again last week to discuss all the points raised across all three schools. Following the Heathfield Governors’ meeting next week, we will send out a summary of reflections on the consultation along with details of the next steps that will be taken.

### **The Vine**

The latest edition of The Vine is now online, packed full of brilliant travel articles written by students from across the College. We hope you enjoy it!
