

Introduction

In the last week of the academic year we are planning four days of Enrichment Activities for all students in Years 7, 9 and 10 to coincide with students in Year 8 attending camp. This will take place from Tuesday 14 July to Friday 17 July 2026. We will be offering students a wide range of activities that will give them an opportunity to learn outside of the classroom or in a different way.

Activities may give them the chance to establish, or develop further, a new or existing skill. They will have the opportunity to work with staff and other students in new ways which will help their personal development and allow them to engage in deeper learning.

In this booklet you will find details of all the activities being offered this year. Activities offered may be limited to certain year groups or they may be open to all year groups. These details are in the booklet along with any costs and equipment needed by students. The contents page provides a quick overview to assist with this.

We have tried to keep the cost of activities as low as possible and some are free of charge. Please read this booklet, with your child, and examine the activity details carefully. This will help to ensure your child selects an option that is appropriate for their interests and will make sure that Enrichment Week is as enjoyable and successful as possible for them and the other students involved.

There are three types of events: 1, 2 or 4 days. Students can either pick a 4 day event to specialise in one activity or a selection of 1 day and 2 day events allowing them to choose a variety of activities.

We are asking students to make seven preferences for events because many activities have a limited capacity so your first preferences may not be guaranteed.

To secure a place on your child's chosen activity we require full payment by **31 March 2026**. It is important that your child selects an activity that you have already approved with them at home. Please also remember that financial plans/support can be provided where appropriate. Please email edupasquier@heathfieldcc.co.uk if you have any questions.

Next steps:

- Look at the options with your child, please select 7 different events in order of preference.
- Complete the student preference Google form giving their preferences by **9am Monday 20 October 2025** for residential trips and Advanced Watersports and all others by **3 November 2025**. [Google form](#).
- We will prioritise allocating students to Residential Trip and Advanced Watersports so letters to these will be sent out first, the first deposit will be due on **3 November 2025**. Letters for non-residential trips will follow during Term 4.
- Full payment for all activities will be required by **31 March 2026** however residential trips will have an earlier deadline and a separate letter will be sent regarding payment schedules.

Thank you for your support - we hope everyone has a worthwhile and memorable experience.

Contents: 4 Day events

Title	Page	Year/Target Audience	Cost
Advanced Watersports (non-residential)	4	Years 7, 9, 10	£330

<p>Type of event: 1 day event, off site leaving at 7.30am and returning at 5pm (Times to be confirmed)</p>	

Crafting

Number of Students	Description of Activities
20	<p>Students will enjoy a creative day filled with different crafting activities each day! They could try making beautiful items from beads, painting on rocks to create colourful designs, or exploring scrapbooking to capture memories and design unique pages.</p> <p>These activities are a fun way to express creativity, develop fine motor skills, and try new artistic techniques, all while making personalized items they can take home and treasure. Each day brings a fresh, hands-on experience, ensuring that every student finds something exciting to enjoy and be proud of.</p>
Year Group / Targeted Audience	
Years 7, 9 & 10	
Cost (per student)	
£15	
Equipment Needed	Purpose of Activities
Photos of friend, family, pets for scrapbooking.	To learn a new skill, build resilience, be creative and take something away that can be built upon
Type of event: 2 day event, on site during school time.	

Creative Media

Number of Students	Description of Activities
30	<p>Students will have the opportunity to explore the world of creative media, experimenting with video, photography, graphic design, and digital storytelling. They'll learn new skills, develop their ideas, and bring projects to life using a variety of tools and techniques.</p> <p>This workshop encourages creativity, problem-solving, and teamwork, giving students the chance to express themselves, try out different media formats, and create something they can be proud of. Whether they're editing videos, designing graphics, or producing content, every student will leave with new skills and hands-on experience in the exciting world of media.</p>
Year Group / Targeted Audience	
Years 7, 9 & 10	
Cost (per student)	
Free	Equipment Needed
All equipment provided on the day.	Purpose of Activities
Type of Event: 1 day event, onsite during school day.	

Cross-stitching Workshop

Number of Students	Description of Activities
15	A one-day cross-stitching workshop which will be an introduction to the craft. We will provide all the necessary materials and instructions for you to create a small cross-stitch project from start to finish. Students will learn how to cross-stitch and complete a mini design in a single session. This is a great activity for beginners and a fun way to create a simple, finished piece of needlework in one day.
Year Group / Targeted Audience	
Years 7, 9 & 10	
Cost (per student)	
Free	
Equipment Needed	Purpose of Activities
None	Students will work on a small, manageable project that can be completed within the session, leaving with a beautiful, handmade piece and the confidence to continue their stitching journey. This is a perfect activity for anyone looking to unwind, develop fine motor skills, and create something unique.
Type of Event: 1 day event, on-site during the school day	

Dance workshop

Number of Students	Description of Activities
24	<p>Students will have the incredible opportunity to learn from a professional dancer from East Sussex Dance Studios in three dynamic workshops.</p> <p>Each workshop will focus on a different style of dance:</p> <ul style="list-style-type: none"> • Commercial - energetic, street-style moves perfect for modern music. • Contemporary - expressive, creative movements that tell a story through dance. • Musical Theatre - fun, theatrical routines combining acting, singing, and dancing. <p>These sessions are a fantastic chance to build confidence, improve technique, and explore different styles, all under the guidance of a professional dance instructor. Students will learn new skills, have fun, and showcase their creativity in each workshop!</p>
Year Group / Targeted Audience	
Years 7, 9 & 10	
Cost (per student)	
£26	
Equipment Needed	Purpose of Activities
Appropriate clothing	Develop or further enhance dance skills, no previous experience is necessary.
Type of Event: 1 day event, on-site during the school day	

Design Technology: Advanced

Number of Students	Description of Activities
15	<p>Students will have the chance to create a modern bird box from timber, developing valuable workshop and practical skills along the way. They'll also get to let their creativity shine by designing and decorating the outside, turning a simple project into a unique, personalized piece.</p> <p>This activity combines hands-on construction, artistic expression, and problem-solving, giving students a sense of achievement while making something that birds – and they themselves – can enjoy for years to come.</p>
Year Group / Targeted Audience	
Years 9 & 10	
Cost (per student)	
£15	
Equipment Needed	Purpose of Activities
All equipment will be provided.	To develop woodworking and workshop skills to build your bird box. To create ideas to decorate the outside of it to make an individual design.
Type of Event: 2 day onsite during the school day.	

Design Technology: Beginners/Intermediate

Number of Students	Description of Activities
20	Students will have the chance to make their own wooden tabletop puck game using the correct tools and equipment, learning valuable workshop and crafting skills along the way. This hands-on activity allows students to design, build, and assemble their game from start to finish. At the end of the day, they'll get to take their creation home, giving them a fun, personalized keepsake to enjoy and share with friends and family.
Year Group / Targeted Audience	
Years 7, 9 & 10	
Cost (per student)	
Free	
Equipment Needed	Purpose of Activities
All equipment will be provided.	To learn the different types of wood joints and to successfully apply these to their own wooden box. This workshop is aimed at all levels of ability.
Type of Event: 1 day onsite during the school day.	

Dungeons and Dragons

Number of Students	Description of Activities
15	This is a fun chance for pupils to explore improvisation and characterisation through the world's most famous role-playing game, Dungeons and Dragons. Small groups of pupils (up to 7) follow a story, or campaign, with the guidance of their Dungeon Master. Players create a character for themselves, choose their own actions, and roll a dice to determine the success of their action. Battle monsters and cast spells in this game of the imagination. This is a social and immensely creative game.
Year Group / Targeted Audience	
Years 7, 9 & 10	
Cost (per student)	
Free	
Equipment Needed	Purpose of Activities
None	To discover a new interest or to continue to develop an interest in a role-playing game.
Type of Event: 2 Day onsite during school time	

Escape Room Experience

Number of Students	Description of Activities
30	<p>Students will experience the thrill of real-life, immersive puzzle games with both an escape room and a tabletop escape game.</p> <p>In the escape room, players must work together to find clues, solve puzzles, and crack codes within a “locked” room, all based around a fun and challenging theme. The tabletop version brings the excitement to the table, letting students use strategy, teamwork, and problem-solving skills in a more compact, fast-paced format.</p> <p>These activities are a fantastic way to build collaboration, critical thinking, and creativity, all while having a thrilling adventure!</p> <p>https://www.timequest.net/</p>
Year Group / Targeted Audience	
Years 7, 9 & 10	
Cost (per student)	
£42	
Equipment Needed	Purpose of Activities
Packed lunch	Students work together in teams to solve the puzzles and crack the codes. This activity promotes resilience and strengthens communication skills.
Type of event: 1 day off site within the school day.	

Film School

Number of Students	Description of Activities
30	<p>This year, we are excited to continue our partnership with Zylo (zyloperformance.co.uk) – a local company run by a former Heathfield student!</p> <p>Zylo is a successful and popular company known for running holiday workshops and after-school clubs in film, music, and drama. This year, they will be working closely with our Creative Media department to create films with our students, offering hands-on experience, professional guidance, and the chance to bring their creative ideas to life.</p> <p>It's a fantastic opportunity for students to develop skills, express their creativity, and collaborate on real media projects with experienced professionals.</p>
Year Group / Targeted Audience	
Years 7, 9 & 10	
Cost (per student)	
£30	
Equipment Needed	Purpose of Activities
All equipment provided on the day.	2-day workshop to develop film making skills.
Type of Event: 2 day event, onsite during school day.	

Football Camp

Number of Students	Description of Activities
40	<p>Students will take part in a mixed programme of fun games and skill drills, led by our qualified teaching staff and experienced coaches from a local football club.</p> <p>The sessions are designed to improve players' technique, fitness, and understanding of the game, while keeping the focus on fun, teamwork, and friendly competition. Whether students are developing passing, shooting, or tactical skills, they'll leave the session more confident, skilled, and ready to take their game to the next level.</p>
Year Group / Targeted Audience	
Years 7, 9 & 10	
Cost (per student)	
£30	
Equipment Needed	Purpose of Activities
Suitable clothing depending on weather, astros or football boots, shinpads.	To develop the student's individual technical skills and team play.
Type of event: 1 day on site within the school day.	

Go Ape

Number of Students	Description of Activities
24	<p>Students will have the thrilling opportunity to take on the Go Ape Treetop Challenge, spending 2-3 hours navigating the course. The adventure includes 5 exhilarating zip wires, offering breathtaking views from up to 13 meters above the forest floor, and a dual Tarzan swing for an extra adrenaline rush!</p> <p>This activity is perfect for building confidence, teamwork, and courage, while having a fun-packed, unforgettable outdoor adventure high above the trees.</p>
Year Group / Targeted Audience	
Years 9 and 10	
Cost (per student)	
£55	
Equipment Needed	Purpose of Activities
All equipment will be provided by Go Ape.	Enjoy the thrill of treetop climbing and zip lines.
Type of event: 1 day offsite during the school day.	

Graffiti Workshop

Number of Students	Description of Activities
20	In this hands-on graffiti workshop, students will explore the exciting world of street art. Working with safe materials and guided by an experienced artist, they'll learn about the history of graffiti, the different styles and techniques used, and the positive role it can play in self-expression and community identity. Students will practice sketching designs, experiment with lettering and colour, and create their own piece of artwork in a supportive and creative environment.
Year Group / Targeted Audience	
Years 7, 9 & 10	
Cost (per student)	
£35	
Equipment Needed	Purpose of Activities
None	To encourage creativity, confidence, and self-expression through a modern and engaging art form.
Type of Event: 1 Day during school time onsite.	

Hands On Science

Number of Students	Description of Activities
24	<p>Students will have the opportunity to explore the exciting world of science through hands-on experiments and interactive activities. They'll investigate real scientific concepts, test ideas, and see how science works in the world around them.</p> <p>These workshops encourage curiosity, problem-solving, and teamwork, giving students a chance to ask questions, make discoveries, and apply what they learn in a fun and engaging way. From experiments with chemistry, physics, or biology, every student will leave with new knowledge, skills, and a sense of wonder for science.</p>
Year Group / Targeted Audience	
Years 7, 9 & 10	
Cost (per student)	
Free	
Equipment Needed	Purpose of Activities
None	To further explore practical uses in Science.
Type of Event: 1 Day during school time onsite.	

The Heathfield Open

Number of Students	Description of Activities
20	<p>Students will have the chance to learn and develop essential golf techniques, including driving, putting, and chipping, under expert guidance. They'll also get the opportunity to play a full game of golf, putting their new skills into practice in a fun and supportive environment.</p> <p>This activity helps students build coordination, focus, and patience, while enjoying the challenge and satisfaction of improving their game. It's a great way to try a new sport, develop confidence, and have fun outdoors.</p>
Year Group / Targeted Audience	
Years 7, 9 & 10	
Cost (per student)	
£31 per day	
Equipment Needed	Purpose of Activities
Trainers or golf shoes, smart casual trousers (shorts), T-shirt, suncream, cap, sunglasses, packed lunch, water bottle.	To learn or further improve a game that can become a lifeskill with multiple benefits to health, etiquette and developing social skills and sportsmanship.
<p>Type of event: Off site during the school day. This activity can be 1,2,3 or 4 days - please indicate on the google form.</p>	

Horse Riding

Number of Students	Description of Activities
12	<p>Students will spend a full day at the stables, learning about horse care and gaining hands-on experience with grooming, feeding, and handling horses. They will also have the chance to ride a horse under expert supervision, either for the first time or to build on very limited experience.</p> <p>This activity is perfect for beginners, helping students develop confidence, balance, and horsemanship skills in a safe and supportive environment, while enjoying the unique experience of working with these magnificent animals.</p>
Year Group / Targeted Audience	
Years 7, 9 & 10	
Cost (per student)	
£40	
Equipment Needed	Purpose of Activities
None	To discover a new interest or to further develop an interest.
Type of event: 1 day event, off site during the school day.	

Martial Arts Workshop

Number of Students	Description of Activities
24	<p>Students will take part in an exciting Martial Arts workshop delivered by Affinity Taekwon-Do. They'll have the opportunity to learn Taekwon-Do techniques and practical self-defense skills in a safe and supportive environment.</p> <p>This workshop is designed for all abilities, whether students are beginners or have some experience, and encourages confidence, discipline, fitness, and focus while having fun and learning valuable skills.</p>
Year Group / Targeted Audience

Portsmouth Historic Dockyard

Number of Students	Description of Activities
30	<p>Students will have the opportunity to step back in time and explore Britain’s rich naval history at the Portsmouth Historic Dockyard. They’ll tour and explore three incredible ships, each with its own fascinating story and place in British history.</p> <p>The visit includes:</p> <ul style="list-style-type: none"> • HMS Victory - Discover life aboard this famous Georgian warship, best known for its role in the Battle of Trafalgar and its legendary commander, Lord Nelson. • The Mary Rose Museum - Explore Henry VIII’s favourite ship, which tragically sank in battle and was recovered after 400 years beneath the sea. Students will learn about its remarkable preservation and the stories of the crew who sailed her. • HMS Warrior - Step aboard Britain’s first iron-hulled, armoured battleship, a revolutionary vessel that marked the transition from wood to iron in naval warfare. <p>This exciting and educational trip offers students a hands-on journey through maritime history, combining exploration, discovery, and a deeper understanding of Britain’s naval past.</p>
Year Group / Targeted Audience	
Years 7, 9 & 10	
Cost (per student)	<p>£50</p>
Equipment Needed	Purpose of Activities
None	<p>Students will learn about Britain's naval history and be able to witness themselves what life was like living and fighting at sea, comparing three ships that are iconic of different eras:</p>
<p>Type of Event: 1 day event off site outside of the school day. Leave at 8.30 and arrive back at 5pm.</p>	

South Downs Adventure Hike
