

# **PROSPECTUS**

## 2027

# WELCOME

Heathfield Sixth Form has an established reputation for providing a high quality education. We have committed and experienced staff which results in high quality teaching and expert support & guidance.

Students successful outcomes are a product of our high expectations in learning, independent study and conduct. Our high standards are in place to ensure individuals are able to meet the demands of Level 3 study.

Sixth Form students have access to a strong and established Sixth Form Team who work hard to support them through their time in College. This support includes pastoral care, academic coaching and ongoing guidance for progression.

This prospectus will give a small flavour of our Sixth Form. To find out more visit our website, come to our Open Evening or book onto one of our Open Morning tours. We are looking forward to working with you on this next step in your education

## THE HEATHFIELD EXPERIENCE

Being in Heathfield Sixth Form is different to being in school. Whether this is for students who have been at Heathfield for five years or for those looking at joining us from other schools.

Our provision ensures that students have access to all that they will need to flourish and develop into well rounded young people. This includes:

### Academic Achievement & Support

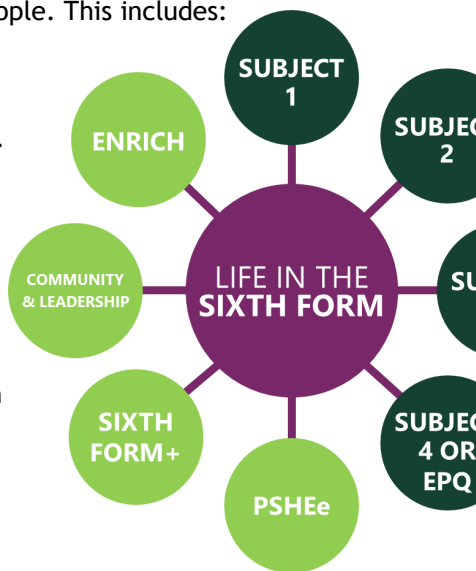

To ensure that students are given all opportunities to succeed in their chosen courses.

### Wider Opportunities & Enrichment

Encouraging engagement with opportunities for leadership, community and developing wider skills for success

### High Quality Progression Guidance

Provision to support all onward destinations with specific packages for competitive university and apprenticeship placements.

Courses correct at time of printing. Decisions regarding the confirmed offer for September 2027 will be confirmed following application.

# ENTRY REQUIREMENTS

**Entry Requirements are set to ensure that students are fully prepared for the demands of the course they are wishing to study.**

To study at the College students must meet our **minimum entry requirements**

- Grade 4+ in GCSE English Language
- Grade 4+ in GCSE Mathematics
- Four additional GCSE Grade 4+

**Subject entry requirements** are shared in our courses guide.

- Students must meet these alongside our minimum requirements.
- Students who have not studied a subject at GCSE can discuss this with the College.

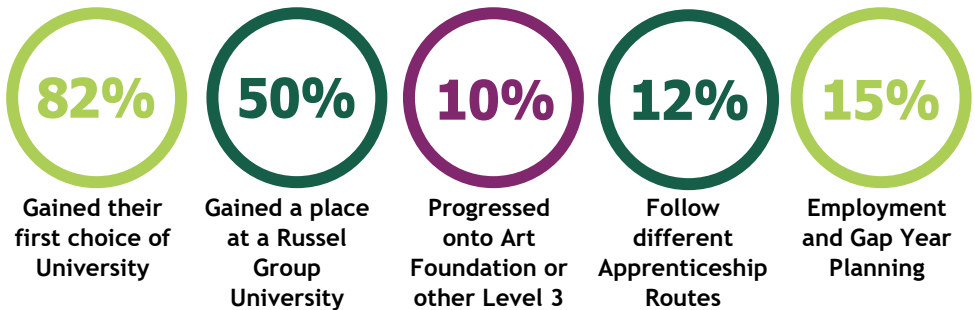

# PROGRESSION

We are proud of our students when they move onto different destinations Post 18.

Our comprehensive careers curriculum ensures that all students are supported with their chosen destination. This includes specific advice and guidance for Oxford and Cambridge applications and dedicated timetable time to support with Personal Statement writing and CV's. Specialist teachers also provide advice and guidance for those seeking careers in Medicine or progressing onto Art Foundation courses. Our full time Careers Advisor is available at any point during students Sixth Form journey.

IN 2026

# STUDENT SUPPORT

We work hard with students to ensure they have the necessary support and guidance through all aspects of College life. This is delivered through a number of different ways:

Head of Year Progress, Pastoral & Progression

Full Time Pastoral Manager Daily Pastoral Care, 16-19 Bursary Support

Full Time Study Supervisor Study Support, Action Plans, & Attendance

Form Tutor Day-to-day contact & Coaching

The dedicated Sixth Form Team are approachable and compassionate. The experience of this team ensures that we are able to support students throughout their time with us.

# OUR STUDENTS

We are proud of our Students. When visiting the College you will get to meet current students to ask questions about their experiences.

In our Sixth Form community around 40% of students join us from other local secondary schools. New friendship groups will be formed which means that the Sixth Form experience feels very different to secondary school for both new student and those that have been at Heathfield for five years.

# OUR ALUMNI

Our College community extends to include our ever growing Alumni Group. Students who have been at the Sixth Form come back to talk to current students about their experiences in a wide variety of different progression pathways.

# OUR FACILITIES

As a large College we have excellent facilities. This includes specialist teaching rooms and dedicated Sixth Form spaces.

Our dedicated Study Room is used by students during independent study periods. This includes access to IT and library facilities. Our Common Room provides a more social space. This area includes Cafe Six, the Sixth Form Cafe and also a collaborative bookable working space.

Students are given dedicated time in our LRC but have the flexibility to work in all spaces during independent study.
